

## TEN GOOD REASONS TO CHOOSE UTAD

1. The guarantee of a quality training process that provides you with solid skills as you enter the job market and launch your career;
2. To be part of an academic environment that has helped to prepare well-known and valued institutional, political, business and cultural leaders;
3. To participate in an academic community that is concerned with your success, values close relations between staff and students and offers internships and international exchange opportunities;
4. To be part of a young and dynamic university with a strong identity and modern infrastructures;
5. To have access to more than 100 undergraduate, masters and doctoral programmes with flexible study plans that respond to the needs of society in a wide range of areas;
6. To be part of a teaching and research institution that interacts with society, serving it energetically and responsibly, and contributing to a more sustainable development of the region, the country and the planet;
7. To join an academic community with 500 highly qualified teachers and researchers supported by a large team of staff;
8. To have access to social services such as accommodation, canteens and restaurants, medical treatment, psychological counselling, sports and cultural activities of proven excellence;
9. To study in a campus that is one of Europe's largest botanical gardens, in a green space that brings together teaching, research, culture and sports;
10. To study in a safe city and campus, with easy access that provide a high quality of life at reasonable cost, close to the matchless splendour of the UNESCO World Heritage site – the Douro Valley Landscape.

---

Bachelor's degree courses last for three academic years and the Integrated Masters for five years. The school year begins in September and ends in July. During the course students are free to make international and national mobilities (one or two semesters). UTAD maintains cooperation with a large number of foreign institutions, and all its courses are recognized.

### Applications

The application schedule for each year can be consulted on the calendar at the UTAD website:

**<https://tinyurl.com/est-int>**

#### **For the academic year 2020/21**

##### **1st Call**

February 13<sup>th</sup> - May 22<sup>nd</sup>

##### **2nd Call**

May 25<sup>th</sup> - August 21<sup>st</sup>

### International student fees

The annual tuition fees for a bachelor degree course are 1500€. The full amount can be payed at the enrollment time or divided into 5 monthly and successive installments, being the first one 50% of the total and the following 4 of equal value.

### Visit UTAD

You can visit the campus on:

**<https://utad360.utad.pt>**

The University is also open to face-to-face visits. To make an appointment contact the Office of International Relations and specify the area of study.
